

## ONLINE EVENT

### New Dilemmas for Bioethics and Biomedical Law

Thursday, 29 May 2025, 6 – 8 pm (CET)

BioMedLex is pleased to present four significant studies on original topics by young researchers, highlighting previously unexplored aspects in Bioethics and Biomedical Law. The online event is open to anyone interested in participating in a discussion that will highlight new areas of research for the future.

#### Speakers:

**Sara Baldussu**, University of Cagliari, Italy

*Xenotransplantation: state of the art and ethics*

**Lizaveta Muravieva**, Lund University, Sweden

*AI-Driven Early Drug Development: Compliance Legal Challenges Under the EU AI Act and Future Considerations*

**Ahmet Sami Demirezici**, Bilkent University, Ankara, Turkey

*The Cybercriminal Risks and Threats of Body-Hacking Crimes*

**Dianelys Iré Santos Piñero**, University of Manchester, UK

*Uterine Transplants – Considerations of Legal Frameworks, Access for Transgender Women, and Ethical Issues*

**COORDINATION:** Takis Vidalis, BioMedLex, EGE member (EC)
